The Legends at Village West Hosts Third Annual Summer Concert Series

Live music and Wonderscope Kids Zone provide free family fun.

Kansas City, Kan. (May 21, 2008) – The Legends at Village West is hosting its third season of “Live at The Legends,” the shopping center’s free summer concert series. New this year is a brew patio and seating provided by Jazz: A Louisiana Kitchen while the Wonderscope Kids Zone will return for its second year. The concert series and the Wonderscope Kids Zone are being presented by Providence Medical Center-Saint John Hospital, located in Kansas City, Kan. The Wonderscope Children’s Museum will bring its museum to The Legends by providing free hands-on imaginative programs during each concert.

The concert series kicks off with a special daytime concert on Memorial Day from noon to 3 p.m. The series continues through Labor Day with concerts every Saturday evening in June, July and August from 5:00 p.m. to 8:00 p.m. The concerts will take place on the west side of the center courtyard fountain near The Legends 14 Theatre. The series of musical performances will include a mix of rock, pop, country, jazz, reggae and more.

“Our concert series is a wonderful part of the experience at The Legends,” said Amy Kraft, marketing director for the center. “These bands will bring everyone to their feet dancing and singing around the

fountain. With the addition of the brew patio and patio seating along with the Wonderscope Kid's Zone, there will be something for everyone to enjoy."

The concerts are free and open to the public. In the case of inclement weather, the concerts will be moved inside Jazz: A Louisiana Kitchen located near the smokestack tower in the Entertainment District and will take place from 5:00 to 7:00 p.m. For more information on Live at The Legends, please visit www.LegendsShopping.com.
